Boating Education

We are offering the **ABC Basic Boating course** for free starting October 6 for eight Thursdays.

Please reply to schwartzr348@aol.com and list courses and seminars you would like to take. Courses being offered by all local Squadrons are advertised, at <http://www.usps.org/cgi-bin/nat/eddept/800/cfindx.cgi?C>

USPS offers some very interesting courses. Weather, AP, JN and N are fun courses even if you don't go boating. I've taken Weather three times between 1970 and 2012 because scientists are learning new things about the weather every year.
